

Attention Patch Collectors:

I am saddened to advise you that our department will not be able to fulfill any requests asking for our department patches effective immediately.

Recently, it was brought to our attention that our patches were being sold on E-Bay. Due to this discovery, we had to amend our department Policies and Procedures on releasing our department patches to the public and/or collectors.

I am sorry that we will not be included in your collection. Thank you for your interest in our department. We wish you the best of luck with your patch collection.
